

WELD *The TIG Welder's Choice*

CRAFT®

Introducing the Upgraded WP17 Torches!

Weldcraft's air-cooled WP17 and WP17V TIG torches now feature the patented Diamond Grip™ handle to improve operator comfort and control on limited-access applications. The new handle design helps operators maintain a secure grip — no matter the welding position!

- ***Provides ergonomic contact points for fingers***
- ***Reduces operator fatigue***
- ***Remains cool after prolonged use***
